Your Ref: 11985ROUS01U

Further to our meeting yesterday afternoon, enclosed please find a final draft patent application for the above-identified invention, incorporating the suggestions you made during the meeting. For your convenience, those portions of the draft that have been modified have also been marked with yellow stickies.

Also enclosed are a Declaration and an Assignment which I would kindly ask that you and the other inventors sign, date and have witnessed where indicated if and only if the draft is in satisfactory condition (i.e., sufficiently accurate and enabling description, as well as sufficiently broad claims). Otherwise, please do not sign the documents and contact me immediately. Please verify the spelling/accuracy of your name, address and citizenship and initial next to any corrections if applicable.
